

## Quickmast EP100 Method Statement (Solvent free general purpose epoxy adhesive)

### Section A : General Comments

#### Equipment

It is suggested that the following list of equipment is adopted as a minimum requirement:

<i>Protective clothing</i>	:	<i>Gloves, goggles, face mask and protective overalls</i>
<i>Mixing equipment</i>	:	<i>Spatula or palette knife</i>

### Section B : Application

#### 1.0 Mixing

- 1.1 Mix all the contents (base and hardener) thoroughly using spatula or palette knife.

#### 2.0 Cleaning

- 2.1 Tools and equipment can be cleaned with **Quickmast Solvent immediately**.

### Section C : Approval and variations

This method statement is offered by DCP as a 'standard proposal' for the application of **Quickmast EP100**. It remains the responsibility of the Engineer to determine the correct method for any given application. Where alternative methods are to be used, these must be submitted to DCP for approval, in writing, prior to commencement of any work. DCP will not accept responsibility or liability for variations to the above method statement under any other condition.
